Norms for supply of rice, sugar and oil to various States and Union Territories

2221. DR. BAPU KALDATE: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether Government have laid down any norms or quota for the supply of rice, sugar and oil to various States and Union Territories;

(b) if so, what are the details thereof;

(c) the quantity supplied to Maharashtra during January to June, 1989, month-wise and item-wise;

(d) whether the Government of Maharashtra have requested to increase the quota;

(e) if so, whether the demand of the Government of Maharashtra have been conceded; and

(f) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD AND CIVIL SUPPLIES (SHRI SUKH RAM): (a) and (b) Allocations of rice from the Central Pool are made no a month to month basis taking into account the overall availability of stocks in the Central Pool relative needs of various states, market availability and other related factors. These are, however, only supplemental to open market availability.

Allocations of levy sugar are made on the basis of a uniform norm of 425 gms per capita monthly availability for projected population as on 1-10-86, effective from 1-2-87.

Allocation of imported edible oils are made keeping in view the demand from a state government/union territory, availability and prices of indigenous edible oils in the open market, stocks of oil with the Government Agencies, pace of lifting of oils allocated earlier and other related factors. The allocation is meant to supplement the availability of indigenous edible oils at reasonable prices and not to meet the entire demand of the States/Union Territories.

(c) The required information is given in the Annexure [*See* Appendix CLI, Annexure No. 130A].

(d) The Government of Maharashtra has asked for increase in the allocation of rice, wheat, sugar and edible oil.

(e) and (f) The requests of the State Governments/Union Territories for increase in the allocation of rice and wheat are considered taking into account the overall availability of stocks in the Central Pool, relative needs of various states, market availability and other related factors. These allocations are only supplemental to open market availability. Allocation of imported edible oils to Maharashtra has been raised from 7150 tonnes in June, 89 to 10,000 tonnes in July, 1989. In the case of sugar, allocation is made on the basis of a uniform norm and as such it is not possible to enhance the levy quota of any individual State/Union Territory.

Progress of land reforms

2222. SHRIMATI KANAK MUKHERJEE: Will the Minister of AGRICULTURE be pleased to state State-wise progress of land reforms with particular reference to distribution of ceiling surplus land among the landless peasants so far in physical and financial terms?

THE MINISTER OF STATE IN THE DEPARTMENT OF RURAL DEVELOPMENT IN THE MINISTRY OF AGRICULTURE (SHRI JANARDHAN POOJARI) : Under the Twenty Point Programme, the progress of distribution of surplus ceiling land only is monitored at the Central level.
